SERVICE CENTER

Pursuant to a phone call from Examiner Reeves, enclosed are replacement formal drawings for Figures 2, 3 and 3A. The PTO-948 did not require that these drawings be corrected, but at the request of Examiner Reeves, we have had our draftsman prepare these replacement drawings to make them sharper and more defined so they appear clearer on the printed patent document.

Respectfully submitted,

LOWE, PRICE, LEBLANC & BECKER

Robert L. Price
